

Computing Methods in HEP - Exercise 1

Jan Hendrik Pfau

Figure 1: Feynman graphs for the lowest order contributions to electron-positron annihilation [1].

When I tried to login to markka, I got the message “The authenticity of host ‘markka.it.helsinki.fi (128.214.237.19)’ can’t be established.”, so I decided to use GitHub. Due to a problem with my LaTeX installation with the Feynman graphs, I created this file with the online tool Overleaf.
